

# Detectamet Detectable Heavy Duty Safety Knives with Enclosed Blades and Tape Cutter (Pack of 5)

**SK107** (615-K107-T031-P0)

**Metal Detectable  
 Disposable**

These disposable, heavy duty detectable safety knives have enclosed blades and a tape cutter at the base.

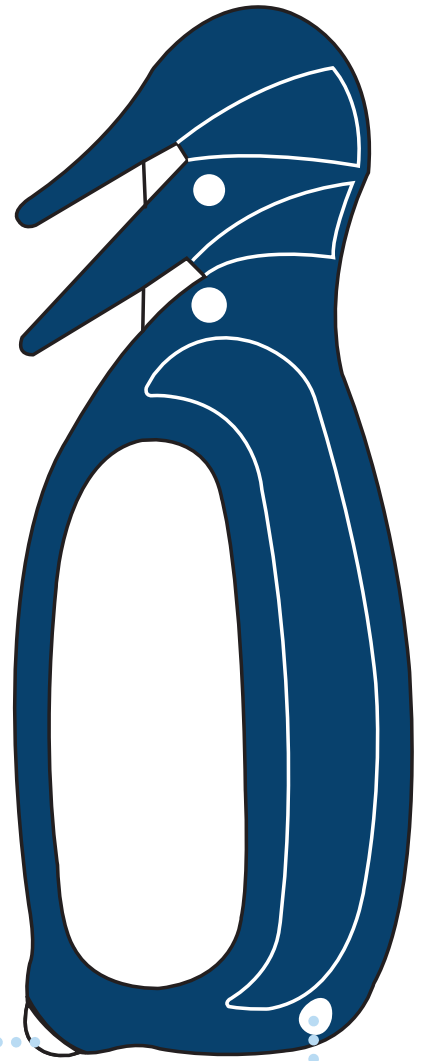

- Twin cutting surfaces with tape cutter at base of blade - both blades can be used without changing grip
- Opposing slopes on the knife head create a plough effect and minimize friction resistance
- Completely sealed to keep out bacteria
- Fixed blade

Colours:

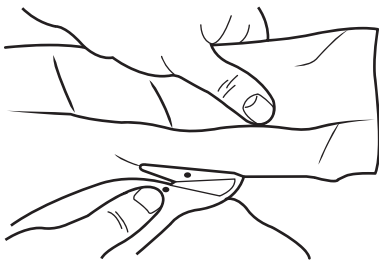

Suitable for laser-engraved sequential numbering

Please handle all knives with care

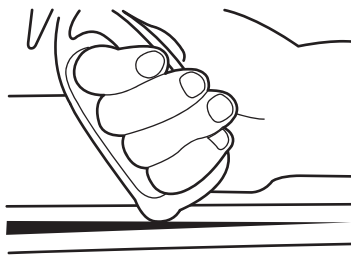

Tape Cutter      Lanyard Point
